Information:

The Wall Strip MD314 is a decorative profile of medium dimensions with subtle milling, allowing for an aesthetically pleasing finish for walls in various arrangements. Made from PolyForce material, it offers high resistance to moisture and UV radiation, ensuring that it won't yellow and maintains its original appearance for a long time. Its ability to be processed enables the creation of personalized wall compositions. The priming coating prepares the strip for painting with water-based paints. It is designed for installation in both dry and humid rooms.
