Price: **€29.00** gross

Manufacturer: Klemp

Referention number: MDC250

Information:

The MDC250 wall strip is a decorative profile inspired by baroque style, designed for finishing walls and ceilings. Made from a lightweight material called ProFoam that is resistant to moisture and UV radiation, it retains its appearance for years. Thanks to a special priming coating, the surface of the strip is smooth and ready to be painted with water-based paints. The Flex model offers flexibility, allowing for precise fitting on uneven surfaces.

Product features

Material	ProFoam
