Information:

The MDC255 wall strip is a decorative profile featuring an elegant step at the top and subtle curved embellishments at the bottom. Made from lightweight and weather-resistant ProFoam material, it ensures durability, moisture resistance, and UV protection. The surface is coated with a primer layer that makes painting and color matching with your interior easier. It can be used as a finishing element for walls, wainscoting, and as a decorative detail for furniture. Installation is done using mounting adhesive.
