Price: **€20.00** gross

Manufacturer: Klemp

Referention number: MDC258

Information:

The MDC258 wall strip is a decorative profile designed for installation on walls, ceilings, and furniture. It is made of lightweight and durable ProFoam material, which is resistant to moisture and UV radiation. It does not change color or swell when exposed to water. The surface is covered with a primer that makes it easy to paint with water-based paints. It is also available in a Flex version for installation on curved surfaces. Dimensions: 200 × 5.4 × 2 cm.
