Price: **€27.00** gross

Manufacturer: Klemp

Referention number: MDD311

Information:

The MDD311 wall strip is a medium-sized decorative profile with subtle milling, allowing for an aesthetic division of space in interior design. Made from lightweight and durable PolyForce material, it offers high resistance to moisture and damage. Thanks to the use of waterproof ProFoam, the strip does not absorb water, making it suitable for areas exposed to steam. It is also UV-resistant, meaning it does not change color or shape when exposed to light. Factory-coated with a primer, it enhances paint adhesion, making the painting process easier.

Product features

Material	ProFoam
Length	200 cm
Width	8,5 cm
Collection	Listwy ściennie
Depth	2,5 cm
Colour	White
Waterproof	Tak
UV Resistance	Tak
Finish	Matowe
