Referention number: MDD315

Information:

The Wall Strip MDD315 is a decorative wall profile measuring 6.6 cm in width, which can also be used as a small shelf. Made from lightweight and durable ProFoam material, it is resistant to moisture and UV radiation – it will not swell when exposed to water and will not yellow in sunlight. Its low weight makes it easy to install at any height using mounting adhesive. It is coated with a factory smoothing primer that allows for painting with water-based paints.
