Information:

The MDD335 wall strip is a three-dimensional decorative profile that serves both aesthetic and functional purposes. With a top element measuring 5.4 cm in width, it can function as a small shelf. Made from lightweight and durable ProFoam material, it is resistant to moisture and UV radiation—ensuring it won't warp or yellow under light exposure. Its paintable surface allows for customization to fit individual arrangements. Installation using mounting adhesive enables stable and permanent attachment at any desired height.
