Price: **€55.00** gross

Manufacturer: Klemp

Referention number: QL017

Information:

The Wall Strip QL017 is a minimalist profile designed for aesthetically finishing walls. Made from durable PolyForce material, it is resistant to moisture and UV radiation—ensuring it won't swell, warp, or change color. The ScratchShield technology enhances its resistance to scratches and physical damage. It is designed for LED lighting installation and features a dedicated space for LED strips and wiring. The LightGuard technology ensures an even distribution of light without any gaps.
