Information:

The MD308F wall strip is a flexible profile that allows for installation on uneven and semi-circular surfaces. With its classic milling, it adds an elegant touch to any interior. Made from moisture-resistant and UV-protected material, it can be used in kitchens, bathrooms, laundry rooms, and other spaces. The option to paint it with water-based paints allows for customization to fit any decor. Installation is straightforward, requiring no specialized tools – adhesive application is recommended.
