Manufacturer: Klemp

Referention number: MD011-10

Information:

The corner wall unit MD011-10 is compatible with the MD011 molding. Its semi-circular shape and minimalist design make it suitable for modern interiors. Made from waterproof material, it is resistant to moisture, making it ideal for bathrooms and kitchens. The side edges are cut at a 45-degree angle, facilitating installation and providing a larger adhesive surface. Coated with a protective layer, it allows for painting with water-based, solvent-free paints.
