Information:

The MD318-10 corner unit is a decorative finishing element featuring a subtle arc with delicate grooves, designed to complement the MD318 molding. Made from PolyForce, a material resistant to moisture, UV radiation, and mechanical damage, it maintains its aesthetic appeal for many years. Its compact dimensions of 13.2 x 13.2 x 1.5 cm allow for versatile use in various interior arrangements. The lightweight construction makes installation easy with the use of mounting adhesive.
