Referention number: MDD332-12

Information:

The MDD332-12 corner unit is a decorative element of moldings featuring a floral design, intended to be combined with the MDD332 trim. Made from the lightweight PolyForce material, it offers resistance to moisture and UV radiation. It can be used in areas with high humidity and intense sunlight. The low weight of the MDD332-12 corner unit allows for quick installation using construction adhesive. The surface is covered with a smoothing primer that enhances paint adhesion and allows for painting with water-based paints in any color.
