Information:

The Rosette B2002 is made from durable polymer that is resistant to moisture, UV radiation, and minor mechanical damage, such as scratches and bending. This decorative element features a smooth surface with embossed circles and is designed for ceiling installation, including around light fixtures or to conceal surface imperfections. Its universal white color and classic design make it suitable for use in various rooms, including those with higher humidity levels. Installation is done with adhesive, requiring no special tools.
