Information:

The Rosette B2003 is a ceiling cornice element designed to aesthetically conceal light fixtures and surface imperfections. Made from durable polymer resistant to moisture, UV radiation, and minor mechanical damage, it is suitable for use in high-humidity environments. Its minimalist design, featuring subtle grooving along the edges, fits well in both residential and commercial settings. Installation is possible using the recommended adhesive. Its smooth surface makes cleaning easy, and the ability to paint it with solvent-free paints allows for personalized color customization.
