Manufacturer: Klemp

Referention number: B3047

Information:

The Rosette B3047, made of polyurethane, features high resistance to moisture and mechanical damage, making it suitable for use in environments with variable conditions, such as bathrooms, kitchens, restaurants, or hotel interiors. With dimensions of 59.6 cm in diameter and 7 cm in height, it serves as an excellent decorative element to conceal areas around ceiling fixtures and surface imperfections. Its ornamentation, featuring leaf and geometric patterns, allows for seamless integration with classical and retro designs. The product is ready to be painted with solvent-free paints, enabling precise color matching to interior decor. Installation is carried out using adhesive, with no specialized tools required.
