Information:

The Rosette QR002 is designed for ceiling and wall mounting, made from durable, moisture-resistant polyurethane. Its minimalist design without embellishments allows for use in modern spaces. The structure is engineered for integration with LED lighting, enabling a backlit effect that enhances the ambiance of the room and provides energy-efficient illumination. Installation is done using recommended adhesive and does not require specialized tools. The option to paint allows for complete customization of the QR002 rosette to fit the room's decor.
