Price: **€45.00** gross

Manufacturer: Klemp

Referention number: C8031

Information:

The C8031 decorative bracket is an intricately designed architectural element made from lightweight and durable ProFoam material. It is moisture-resistant and waterproof, making it suitable for spaces exposed to high humidity, such as bathrooms and laundry rooms. The surface is compatible with paints that do not contain solvents. Installation is done by adhering it with mounting adhesive.
