Price: **€201.00** gross

Manufacturer: Klemp

Referention number: C1000-2W

Information:

The C1000-2W column cap is designed for both decorative and functional finishing of interior columns. Made from ProFoam material, it offers enhanced resistance to moisture, UV radiation, and mechanical damage, maintaining dimensional stability and its white color over a long period of use. Its lightweight construction facilitates transport and installation with standard mounting glue, eliminating the need for specialized tools. The white base coating allows for individual painting to match the interior color scheme. With dimensions of 29 x 20.7 x 29 cm, it is compatible with a wide range of decorative columns for both residential and commercial spaces.
