Price: **€248.00** gross

Manufacturer: Klemp

Referention number: C1001-2W

Information:

The C1001-2W column cap is a decorative element designed for installation on the top of a column, made from durable ProFoam material. This material is highly resistant to moisture, UV radiation, and minor mechanical damage, allowing for safe use in residential, office, and commercial spaces. The decorative design of the cap features spiral patterns, floral motifs, and relief carvings, making it compatible with both classic and eclectic arrangements. With dimensions of 33 x 24.5 x 33 cm, it can fit a variety of column types. Installation does not require specialized tools—simply use the appropriate mounting adhesive.
