Price: **€465.00** gross

Manufacturer: Klemp

Referention number: C3000W

Information:

The C3000W column is a decorative element made of moldings, measuring 15 x 239.5 x 8 cm, designed for installation with a base and cap to create a cohesive composition inspired by classic palace design. Made from ProFoam material, it offers enhanced resistance to moisture, UV radiation, and minor mechanical damage, making it suitable for use in both residential and commercial spaces. The surface of the material allows for painting with water-based, solvent-free paints, facilitating color matching to your interior decor. Installation is straightforward and does not require specialized tools – individual components are connected using mounting adhesive.

Product features

Material	ProFoam
