Manufacturer: Klemp

Referention number: C1000-1H

Information:

The C1000-1H half column cap is designed for mounting on the upper end of half columns, providing a durable and aesthetic finish for interior arrangements. Made from ProFoam material, it is resistant to moisture, UV radiation, and minor mechanical damage, allowing it to be used in more demanding conditions. With dimensions of 26.5 x 10.5 x 13.2 cm, it is compatible with half columns of standard proportions. The factory-applied primer layer enhances the adhesion of water-based paints, allowing for custom color matching. Installation with adhesive eliminates the need for tools, ensuring easy installation.
