Price: **€106.00** gross

Manufacturer: Klemp

Referention number: C1000-2H

Information:

The Half column cap C1000-2H is a decorative element of molding, designed for installation at the top of a half column as part of a complete finishing system along with the base. Made from lightweight and durable ProFoam material, it is resistant to moisture, UV radiation, and minor mechanical damage, ensuring long-lasting aesthetic appeal in both residential and commercial spaces. The product is coated with a primer and is ready to be painted exclusively with water-based paints, without any added solvents. The dimensions of the cap are 29 × 20.7 × 14.5 cm, allowing for integration with a wide range of classic and contemporary interior designs. The ornamentation based on floral motifs enhances the character of the space in which it is used.
