Price: **€87.00** gross

Manufacturer: Klemp

Referention number: C1001-1H

Information:

The half column cap C1001-1H is designed for capping a half column on a pedestal, serving a decorative function in classic styled arrangements. Made from ProFoam material, it features high resistance to moisture, UV radiation, and minor mechanical damage, making it suitable for use in environments with varying temperatures and increased humidity. With dimensions of 30 x 11.5 x 15 cm, it ensures harmonious integration with other elements of the half column. The richly adorned surface, inspired by ancient ornamentation, promotes aesthetic cohesion with classic interiors. Installation is achieved using adhesive and does not require specialized tools.
