Price: **€122.00** gross

Manufacturer: Klemp

Referention number: C1001-2H

Information:

The half column cap C1001-2H is designed for mounting on top of half columns. It is made from ProFoam material, which boasts high resistance to moisture, UV radiation, and scratches. Ideal for classic and retro designs, it is suitable for both private interiors and commercial spaces. Installation is carried out using the adhesive recommended by the manufacturer, ensuring a durable connection with the other elements of the decorative moldings. The product is coated with a primer that enhances paint adhesion—solvent-free paints should be used for painting. The surface is ready for customization according to the project's requirements.

Product features
