Price: **€316.00** gross

Manufacturer: Klemp

Referention number: C3002H

Information:

The Half Column C3002H is made from ProFoam, a moisture-resistant material that is also resistant to UV radiation and minor mechanical damage. It is designed for indoor use in residential, commercial, and public spaces. This construction segment, when used in conjunction with a base and cap, forms a complete decorative column inspired by classic style. Coated with a primer that enhances the adhesion of water-based paints, it allows for any color customization to match your interior décor. The installation is straightforward, requiring only adhesive—no tools or specialized skills needed.

Product features
