Information:

The Half Column C4001H is a decorative element made from ProFoam material - a lightweight and durable polymer that is resistant to moisture, UV radiation, and minor mechanical damage. Designed to be installed with a base and a capital, it forms a cohesive pedestal composition. The product dimensions are 18 x 242.5 x 10 cm, making it suitable for both residential and commercial spaces. Coated with a white primer, it allows for painting in any color with water-based paints. Installation with adhesive does not require any specialized tools or additional fastening systems.
