Information:

Pilaster D1500 is a decorative architectural detail designed to enhance the finish of doors, windows, fireplaces, and niches. Made from ProFoam material, it is resistant to moisture, UV radiation, and minor mechanical damages such as scratches and bending. Subtle grooves and square ends highlight the beauty of the interior. It can be installed with dedicated assembly glue, without the need for specialized tools. Its lightweight construction facilitates installation and ensures durability even in areas with increased humidity.
