Price: **€38.00** gross

Manufacturer: Klemp

Referention number: D3010

Information:

The D3010 pilaster base made from ProFoam material is resistant to moisture, UV radiation, and minor mechanical damage, making it suitable for use in residential, office, and commercial spaces. With dimensions of 19.5 × 35.5 × 3 cm, it can also be installed in limited spaces. The product is coated with a primer layer that prepares it for painting with water-based paints free of solvents, facilitating personalized finishing. The decorative elements, including the raised top edge and the concave sides, harmonize with the pilasters, creating an aesthetically pleasing framing for doors. Installation is carried out using adhesive.

Product features
