Price: **€19.00** gross

Manufacturer: Klemp

Referention number: D3011

### Information:

The D3011 pilaster base is made of ProFoam material, resistant to moisture, UV radiation, and minor mechanical damages. It is designed to be installed as a finishing element alongside the pilaster, allowing for an aesthetic framing of doors and other vertical wall surfaces. The subtle grooves and geometric pattern at the top ensure compatibility with both classic and modern styles. The element can be painted with solvent-free paints. Installation using the recommended construction adhesive, without the need for specialized tools, guarantees a durable fixture and an attractive result for years to come.

### Product features

Material	ProFoam
Length	25,5 cm
Width	3,7 cm
Collection	Pilastry
Depth	13,5 cm
Colour	White
Waterproof	Tak
UV Resistance	Tak
