Price: **€16.00** gross

Manufacturer: Klemp

Referention number: D3012

Information:

The D3012 pilaster base is designed for installation at the bottom of pilasters to create a complete door surround. Made from ProFoam material, it is resistant to moisture, UV radiation, and mechanical damage, including scratches and deformation. It maintains its color and shape durability over time, even in conditions of increased humidity. The decorative element allows for use in both classic and modern interior designs. Its compact dimensions of 11.4 × 30 × 3.3 cm make it easy to fit into any space. Installation is done with adhesive recommended by the manufacturer, requiring no special tools.

Product features
