Price: **€12.00** gross

Manufacturer: Klemp

Referention number: D3016

Information:

The D3016 pilaster base is a decorative element measuring 9.7 x 9.7 x 3.5 cm, designed in a square shape with a textured frame and grooved circles in the center. It is intended for joining with pilasters, allowing for a cohesive finish for niches, fireplace surrounds, door and window frames, and building partitions. Its construction is moisture-resistant, ensuring durability even in areas with high humidity. This product is suitable for installation in both classic and modern arrangements, providing a quick and aesthetically pleasing finish for architectural details.
