Information:

The D3505 pilaster cap is a decorative plaster element designed for installation with a pilaster. Made from a lightweight and durable ProFoam material, it is resistant to moisture, UV radiation, and minor mechanical damage. It is ready to be painted with solvent-free paints due to its factory-applied primer. Adorned with reliefs inspired by floral motifs, it is intended for the decoration of niches, windows, doors, and fireplaces. Installation is recommended with the appropriate adhesive.
