Price: **€28.00** gross

Manufacturer: Klemp

Referention number: D3509

Information:

The D3509 pilaster cap is designed for decorative finishing of interior pilasters, allowing for an aesthetic and durable integration with wall surfaces. Measuring 14 × 29.5 × 4.5 cm, it is suitable for use in a variety of architectural configurations. Made from moisture-resistant materials, it is ideal for spaces prone to elevated humidity, such as service areas. Installation does not require any specialized tools – the element is intended for adhesive mounting as recommended by the manufacturer, ensuring a strong bond and saving time during installation.
