Information:

The QL056T curtain rail is designed to aesthetically conceal curtain rods and ceiling tracks, providing a seamless finish for window recesses. Made from durable PolyForce material, it features increased resistance to mechanical damage, moisture, and UV radiation – it does not deform or discolor, making it suitable for use in bathrooms and kitchens as well. Thanks to LightGuard® technology, it allows for uniform light diffusion from LED strips without visible light spots. The construction offers a lightweight design and easy installation, with the option to cut to the required dimensions. Dimensions of the rail: 200 x 17.9 x 5.5 cm.
