Information:

The Duro Fit Cashmere PF080K skirting board is designed for the aesthetic and functional finishing of the junction between the floor and the wall. Its profile effectively conceals expansion gaps and levels out minor installation irregularities at the floor. The tailored shape facilitates quick installation and ensures a stable fit against the wall. The cashmere-colored surface makes it easy to integrate with various shades of flooring and wall colors, making this skirting board a versatile solution for both modern and classic interiors. The product enhances the aesthetic finish and reduces the accumulation of dirt in corners, contributing to the longevity and cleanliness of the space near the floor.
