Information:

The Duro Fit Cappuccino PF080C skirting board is designed for aesthetically finishing the junction between the floor and the wall. Made from durable material with enhanced resistance to mechanical damage and deformation, it effectively covers expansion gaps and installation wires. The profile of the board allows for quick installation without the need for specialized tools. The cappuccino color provides a neutral backdrop for various interior designs, enabling integration with wooden tones and modern finishing materials. Suitable for indoor use in residential and office spaces.
