Information:

The Duro Fit Grey PF080G skirting board is designed to finish the junction between the floor and the wall, allowing you to hide expansion gaps and minor installation imperfections. Its neutral gray color ensures compatibility with a wide range of flooring types, including laminate and ceramic tiles. The design of the skirting board also allows for concealing installation wires, enhancing the functionality of the solution while maintaining aesthetic appeal. This product is designed for quick and clean installation, eliminating the need for renovation work and specialized tools.
