### Information:

The Natural Oak Shelving Unit is an elegant and functional piece of furniture that perfectly complements various interior styles. Made of slats measuring 22x90 mm, this freestanding shelving unit has an adjustable height ranging from 240 cm to 260 cm, allowing for a perfect fit to individual needs. The unit has a width of 69.6 cm, and if more space is required, additional segments can be purchased. The wooden shelving unit natural oak works well both as a wall-mounted piece and as a freestanding decorative element or room divider. Additionally, it is available in other colors, and the optional black frame offers a customizable modern touch.
