Price: **€12.14** gross

Manufacturer: Klemp

Referention number: 6080V20C

Information:

Pipe connector, corner element, through type 20. This pipe connection is similar to or often used together with the type 18 pipe connector, with the latter being used as a termination at the outermost corner. The corner pipe passes through the corner continuously in one piece. Two additional pipes can be connected at a right angle to the corner pipe.
