Price: **€3.00** gross

Manufacturer: Klemp

Referention number: 1D2-V20-X1-5-CM

Information:

The straight connector / extender / coupler - 1D2 V20 X1.5 CM is a structural component designed to join profiles measuring 20x20x1.5 mm. Made from glass fiber-reinforced polyamide PA6 with a metal core, it offers high mechanical strength and resistance to environmental conditions. It features one axis and two sockets, allowing for a stable connection between construction elements. The 2 mm wall thickness enhances the durability and load capacity of the component. Its black color and compact design (0.1 kg) facilitate easy installation and aesthetic integration into the system.

The size of the discount

Quantity	Discount	Spare
10	2%	above €0.60
20	5%	above €3.00
100	15%	above €45.00
500	20%	above €300.00
1000	30%	above €900.00

Product features

Material	Polyamide PA6 - glass fiber reinforced
Colour	Black
Type	Extension piece
Mounting method	By plug, using a rubber hammer
Matching profile	20x20x1,5 mm
Number of axes	1
Number of slots	2
Core	With metal core
