Price: **€250.00** gross

€250.00 for m2

Manufacturer: Klemp

Referention number: PIPE-COVER

Information:

Modern, openwork pipe grille, made of aluminium composite, made to measure. Aesthetically conceals unsightly installation components (e.g. water pipes, gas pipes, PVC pipes) both vertically and horizontally, ensuring optimum airflow without heat insulation in the case of heating pipes. UV and corrosion resistant - ideal for bathrooms and interiors with high humidity. Easy to install, with optional openings for thermostats, meters, inspection doors. Safe, durable, lightweight, tailored to your walls.

Product features

Material	Aluminium
Length	Produkcja na wymiar
Width	Made-to-measure production
Colour	To choose
Production Standard	Certificates from PZH and ITB (Polish Health and Building Research Institutes)
Mounting method	Easy self-assembly – no special tools required
Height	Made-to-measure production
Finish	Resistant to water, moisture, UV radiation, and corrosion
Properties	Proper air circulation
Insulation	Minimal heat loss
