Price: **€250.00** gross

€250.00 for m2

Manufacturer: Klemp

Referention number: RADIATOR-COVER

Information:

The aluminium radiator grille cover is a modern, aesthetically pleasing and functional solution for any interior. It is lightweight, durable, waterproof and does not restrict heat flow. Made to measure, fully customisable - you can choose the colour, pattern and holes for the pipes and thermostat yourself. It ensures free air circulation, protects the user against burns and meets safety standards. It is easy to install and allows easy access to valves and the heating system if required.

Product features
