Price: **€19.00** gross

Manufacturer: Klemp

Referention number: AT-AP402-200

Information:

A rectangular aluminum profile 40x20x2 mm made of 6063 aluminum is a strong and lightweight component for light constructions. The 2 mm wall thickness ensures stability for frames and structures. The 200 cm profile is ideal for use in frames, cages, and support structures. Its low weight enables easy installation and transport. The raw surface allows for quick adaptation to other components. An excellent choice for industrial and hobby projects.
