Price: **€4.00** gross

Manufacturer: Klemp

Referention number: 1D2-R40X1-5-CM

Information:

Straight connector / coupling 40x1.5 mm with a metal core and PA6 polyamide reinforced with glass fiber. A single axis and two sockets ensure stable connections in lightweight aluminum constructions, frames, and cages. The black color matches modular systems. Press-fit installation with a rubber mallet is quick and easy. The weight of 0.1 kg minimizes frame load. Ideal for pipe extensions and creating modular frames.
