Price: **€3.00** gross

Manufacturer: Klemm

Referention number: 1D2-R30-X2-CM

Information:

The straight connector/coupling with a metal core for 30x2 mm pipes guarantees solid connections in frames and lightweight aluminum structures. Made of PA6 polyamide reinforced with glass fiber, it features a single axis and two sockets. Its black color ensures an aesthetic fit, and push-in installation with a rubber mallet is quick and convenient. The metal core increases the rigidity and durability of the connection. Ideal for frames, enclosures, and lightweight industrial constructions.

Dimensions: C = 5 mm; D = 49 mm; E = 49 mm
