Price: **€1.00** gross

Manufacturer: Klemp

Referention number: 1D1-V25-X2-S

Information:

A single-axis, single-socket connector in gray is a simple yet durable joint for 25x25x1.5 mm profiles. Made from glass fiber-reinforced PA6 polyamide, it ensures the longevity of lightweight structures. Installation by pressing in with a rubber mallet makes profile connections quick and convenient. Excellent for simple frames and single racks. Lightweight and sturdy, it enhances construction stability. Perfect for basic projects and quick connections.
