Price: **€8.00** gross

Manufacturer: Klemp

Referention number: 2D4-V30-X2-CM

Information:

Cross Connector (2 axes, 4 sockets), black, with a metal core, is a strong connector for 30x30x2 mm profiles. Polyamide PA6 reinforced with glass fiber provides high strength and resistance to damage. Two axes and four sockets allow for stable and durable connections of structural elements. Ideal for frames, cages, and lightweight aluminum frames that require additional rigidity. Installation by insertion using a rubber mallet is quick and easy. The weight of 0.1 kg minimizes additional structural load.
