Price: **PLN25.80** gross

Manufacturer: Klemp

Referention number: 3D3-V40-X2-S

Information:

3-way corner connector with three sockets in gray, suitable for 40x40x2 mm pipes. Polyamide PA6 reinforced with glass fiber ensures durability and structural stability. The three axes and three sockets allow for quick assembly of frames, cages, and lightweight aluminum constructions. Assembly by simply inserting with a rubber mallet is easy and convenient. Weighing 0.1 kg, it adds minimal load to the profiles while maintaining the overall lightness of the structure. Ideal for industrial and workshop modular systems.
