Price: **€8.00** gross

Manufacturer: Klemp

Referention number: 3D6-V40-X2-C

Information:

3-axis cross connector with six sockets in black, designed for 40x40x2 mm tubes. Made from glass fiber-reinforced PA6 polyamide, it ensures exceptional durability and stability for lightweight constructions. The three axes and six sockets allow for the creation of complex frames, cages, and racks. Installation is simple and quick using a rubber mallet. The weight of 0.1 kg allows for easy transport and installation. Ideal for industrial applications and modular aluminum systems.
