Price: **€8.00** gross

Manufacturer: Klemp

Referention number: 3D6-V40-X2-S

Information:

3-axis cross connector with six sockets in gray, designed for 40x40x2 mm tubes. Polyamide PA6 reinforced with glass fibers provides exceptional durability and stability for lightweight structures. The three axes and six sockets allow for quick assembly of advanced frames, cages, and racks. Push-fit installation with a rubber mallet is simple and convenient. The weight of 0.1 kg makes transport and installation easy. Ideal for modular industrial systems and lightweight aluminum constructions.
